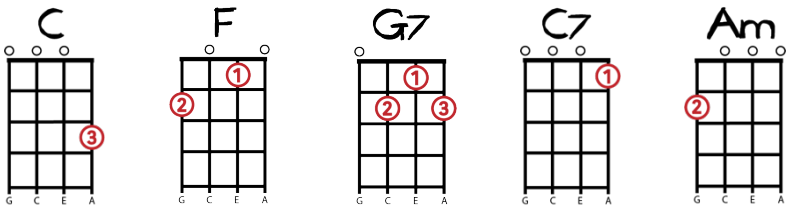
Amazing Grace - Key of C



```
 C                     F          C
Amazing Grace, how sweet the sound,
                              G7
that saved a wretch like me.
  C         C7          F       C
I once was lost, but now am found,
    Am           G7     C
was blind, but now I see.

      C                        F         C
'Twas grace that taught my heart to fear,
                           G7
and grace my fears relieved.
    C         C7         F     C
How precious did that grace appear,
    Am       G7      C
the hour I first believed.

        C               F          C
Through many dangers, toils and snares
  C               G7
I have already come
      C             C7          F          C
Tis' grace hath brought me safe thus far
     Am           G7      C
And grace will lead me home

     C                         F         C
When we've been there ten thousand years,
                           G7
bright shining as the sun,
      C        C7       F           C
We've no less days to sing God's praise
     Am       G7       C
than when we first begun.
